“Life Is Not Measured By the Number of Breaths We Take, But By the Moments That Take Our Breath Away”.

~ George Carlin

The year 2014-15 was filled with many such moments. It was an eventful year for all of us at St. Joseph's College for Women. The year started with the inaugural function on 22nd July 2014. Sri Ganta Srinivas Rao, honorable Minister for Human Resource Development, Govt. of Andhra Pradesh was the chief guest, where our dynamic new Principal Dr. Sr. P.D. Shyji unfolded her plan and vision for the college for the academic year 2014-15 . The student council was inaugurated on the same day with Kiran Parmar as the President, Sonali Sahoo as the Vice president, Sai Sudha as Treasurer, Reshma Sheikh as the Secretary, Siva Janaki as the joint secretary, Priya Darshini Sen Gupta as the P.G Representative, and Navya as the intermediate representative. The staff advisors for the academic year were Dr. Mrs. P. Mangaveni, Dr. Mrs. Y. Lakshmi Prabha, Capt. Mrs. K.Sujatha, Dr. Mrs. P. Sarada, Mrs. E. Harini and Mrs. Prameela.

I College Activities

a. Highlights of the Academic activities during the year

- a. Masters Programme was introduced by the Department of Homescience with two Specializations-Food, Nutrition and Dietetics(FND), Resource Management &Interior Design(IDRM)
- b. Induction Programme for I Inter & I Degree students
- c. Induction programme for Fresh Faculty.
- d. A Two day UGC National Seminar was conducted by the Department of Botany on “Emerging Trends in Value Addition to Plants and Plant Products” on 24th & 25th July 2014.
- e. Bridge Courses (orientation) were conducted for I Degree students.
- f. Two day Youth Conclave on **Health in your Hands** sponsored by Rajeev Gandhi National Institute for Youth Development , Tamilnadu on 6-7 December 2014. Which was meant exclusively for ST students from St.Joseph's College , Araku and Don Bosco College Narsipatnam.

The Student Council conducted many activities during the year. In the month of July we had a group singing competition where students came forward to present their melodies.

- In August, we celebrated Independence Day with Col. A.K. Singh, Army recruiting officer as the chief guest. The NCC cadets performed a march past and accorded a ceremonial guard of honor to the chief guest. We also had an exhibition in our college with rare photographs on the life of Mahatma Gandhi. The memorable event in September was the Teacher's Day celebration. All the final year students took classes for their juniors and competitions and events were organized for the lecturers. It seemed as though, for a day, that teachers became students and students became teachers.
- On September 8th Young India chapter of St.Joseph's College for 2014-15 was started in our college. A research laboratory in chemistry was inaugurated by Sr. Alice Marie, correspondent of our college on September 30th.
- In December the student council conducted a Street Play Competition on the theme of Swach Bharat, which has been launched by our Honorable Prime Minister Sri Narendra Modi.
- January is a month of celebrations in south India marking the harvest season. To celebrate the theme of Sankranthi, the Council conducted a Muggulu Competition for students. A rangoli competition was organized for teaching and non teaching staff of the college. The response for both the competitions was very encouraging.
- Our students also actively took part in the essay writing and elocution competition conducted by A.U school of economics and one of our students bagged 1st prize in elocution. One of our students got the best presentation award in the United Nations International Youth day celebrations in Dr. L. Bullayya College.

- The month of November was filled with district level and state level events. Aditya Degree College celebrated National library week and conducted many competitions. Our students won prizes in Elocution, Essay writing and Painting competitions. During this month, our students actively took part in a state level commerce and management- "SAMANVAY-2014" meet hosted by Aditya Degree College, Visakhapatnam.
- Two of our students won prizes in an essay writing competition which was conducted by Anti- Corruption Bureau, Govt. of India on the occasion of Anti Corruption week. Prism College conducted a youth fest "Varnahela" where 13 of our student's bagged prizes under the categories, "Vendor's Paradise", "Face Graffiti", "M.S Harbinger", "code Crafty" and "Brand Czar".
- A two day National chemistry fest was conducted in Loyola College, Vijayawada, where 10 of our B.Sc. students got prizes in various competitions. Our students also took part in Gitam Excellence Meet and District Youth Festival conducted by YMCA, securing many prizes.
- We all know that on October 6th a severe cyclonic storm Hud Hud hit the coastline of Visakhapatnam. Though the cyclone had a bad effect on every one of us, we Josephine's did everything we could to bring the working of the college back to normal. Staff and students did shramdaan in clearing the debris, cutting down branches and trees and re-planting some of the trees.
- Different associations in the college hosted a variety of events, such as games, sale of hand made products, and sale of eats and so on to raise funds for the college. Donation boxes were placed in the campus and students contributed liberally.
- The month of January was eventful for all of us at St.Joseph's as, 5 different clubs were launched to nurture the talent of students and to provide a platform for them to exhibit their multi talents.
- The clubs are the Cultural Club, Literary Club, Talent Club, Theatre Club and the Quizzing Club. It is visualized that these clubs will be the talent pools for students where they can perform, share and excel. Our college has also begun western instrumental music classes, where many students are learning to play guitar and key board under the guidance of Mr. Andrews.
- In contemporary society, it is very important for a girl to equip herself with self protection skills. Recognizing this urgent need, a short term course in self defense comprising of karate has been inaugurated in our college, where Mr.Hari Prakash, DEAN, Student Affairs was the chief guest. The trainer is Mr. M.V.Ramana, 6th Don Black Belt Holder who is the founder and Chief Coach of Indian Modern Martial Arts Academy. The classes are running successfully.
- Our students participated in various competitions conducted in district level on the occasion of National Voter's day.
- And as we came to the end of a wonderful academic year, we celebrated the 57th valedictory function, Prof B.Mohan Venkat Ram, DEAN International Student Affairs & Public Relations, Andhra University, Visakhapatnam was the chief guest.

Green Globe Nature Club
Department of Botany
St. Joseph's College for Women (Autonomous), Visakhapatnam

Annual Report
2014 – 2015

Members: Staff & Students of all Biology departments, i.e. Botany, Biotchnology, Biochemistry and Zoology. The club is open to all nature lovers among the staff and students of the college.

Organizing Members of the Club:

Convener: Dr. K. Manikya Kumari, HOD- Dept. of Botany

Student Advisors: Mrs. K. Vishnu Priya- Lecturer in Botany
Mrs. Ch. Hari Lakshmi, Lecturer in Biotechnology

Student coordinators:	Miss. S. Teekshana	III CBZ
	Miss. Supriya Kumari	III CBZ
	Miss. Rithu	III BBC
	Miss. Pallavi	II CBZ
	Miss. Hari priya	II BBC

The aim of the club is to create environmental awareness among the students and to encourage collective responsibility towards it. Following are the programmes organized during the academic year 2014-2015.

1. “World Environment Day” observed marked by a massive “Green Rally”

A massive Green Rally was taken by the students and the faculty of **St. Joseph's College for women** to mark “**World Environment Day**” on 5-6-2014. The programme was organized by Green Globe Nature Club of Dept. of Botany in association with NSS Unit of the college and Manual Welfare Association of Gnanapuram. The Principal of the college Sr. Shyji P. D. flagged off the rally, which proceeded from the college main gate to the Dr. B. R. Ambedkar circle near Convent junction. The rally continued for an hour and half, with students giving slogans on various aspects related to the environmental issues, especially about the impact of pollution on the lives of people residing in this part of the city. Dr. K. Manikya Kumari, Convener of the Green Globe Nature Club speaking to the students explained the significance of the day and emphasized on this year's theme ‘Small Islands and climate change’ and the official slogan of the year ‘Raise your voice, not the sea level’. The programme was organized with an objective to protect environment, planet earth and biodiversity. The students and the general public were also cautioned about the fate of existing climate if the rising global temperature is left uncontrolled which causes melting of glaciers and inundation of low lying areas of the world. This may result in a huge change in world geography and shrinking of habitable land for humans and other forms of life. Thus the Green volunteers were encouraged to create awareness among the public through educating them about their role in safe guarding the environment.

2. Ozone Day Observed

A participatory interactive session was held to discuss ways and means to protect Ozone layer to mark the ‘World Ozone Day’ on 16th September 2014 in the college premises. The student volunteers of the Green Globe Nature Club of the college took active participation and expressed their concern about a range of dangers of the Ozone depletion. Addressing the session the convener of the club Dr. K. Manikya Kumari, Head- Dept. of Botany told the students that use of life style gadgets, industries which release high amounts of CFC's and indiscriminate felling of trees are the major threats to the ozone depletion and thereby climate change. This is affecting not only at the global level, but also impacting the local climate particularly in our own city. In a time span of two decades, the ‘city of destiny’ which transformed from being a cool green habitat to a hot concrete jungle by losing a lot of its lush greenery specially age old trees, some of them identified by the locals as important land marks in the heart of the city. In spite of all this, good news is that the recent NASA report says that the Ozone layer is recovering. This may be attributed to the increased concern among the people and their changed attitude towards it, emerging eco friendly and green technologies. Faculty and students of the biology departments attended the programme.

3. Post Hudhud Relief operation

On 21st & 22nd October 2014 large number of green volunteers actively involved in the removal of debris and restoration of fallen trees in the college campus after the severe Hudhud cyclone which devastated the city of Visakhapatnam.

4. A Display on Hudhud Impact on North Coastal Andhra Pradesh

On 16th December 2014, a display of News Clippings and Photographs on the Hudhud cyclone was organized in the Botany Laboratory. The display helped students to understand the magnitude of devastation caused by the cyclone and its impact on environment.

5. Plantation Programme

Students and the faculty of the Dept. of Botany procured free saplings distributed by CMR Group in the city and a plantation programme was taken up by Sr. Hema, Lecturer in Botany along with a good number of student volunteers in the college campus to restore greenery which was stripped off by the Hudhud cyclone.
