I. College Activities

a. Highlights:

“ Being a centre of Academic Excellence which Empowers Young Women to provide Intellectual Leadership and Transform the world through Courage of Conviction , Optimism and Hope”

With this mission the student council for the year 2017-18 was nominated in the month of June and on the inaugural day, in the presence of Mrs. Indira Tirumala Raju- registrar, P.F. office Commissioner who was the chief guest for the day and other dignitaries, staff and students , our principal Dr. Sr. Shyji handed over the badges to the office bearers and congratulated them stressing the role of the student council. She also addressed the students and motivated them to endeavour to make the college campus lively.

The annual activities of the student council recognizes the varied talents of our students. The student council activities started with a spell bee competition and many more events followed like an essay writing competition, dance, singing etc.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. Thus to show our acknowledgement and recognition of their hard work towards our development, the student council on behalf of all the development, the student council on behalf of all the students presented small tokens of love and respect to the teachers on teacher's day.

Specific days like world literacy day, national education day, population day, tourism day , environment day have been celebrated by organising curricular and extracurricular events.

This year also witnessed the remarkable performance and participation of our students in various inter collegiate competitions. Student council organized an inter college fest “ Excelsior-2k17”in college premises and identified the talents of students inside and outside the campus.

ECO Buzz, the Economics department of the college conducted an Economics Quiz Contest named ‘THE YOUNG ECONOMIST’where various colleges were invited for participation. We were inundated by the response and participation of the students.

The academic year 2017-18 witnessed appreciable efforts by various departments in organizing various activities. Various associations and clubs organised activities to bring out the hidden talents of students from intermediate to post graduation level. Students enthusiastically participated and the atmosphere was lively throughout the year.

Two staff members one from department of Botany and other from department of economics received **state best teacher awards** .Faculty forum organized seminars and workshops to equip the staff to face present day challenges along with academic programmes.

Department of physical education organised a two day seminar in the month of December in college campus.

The Hindi department celebrated the ‘National Hindi week’ with the essence and elegance of the Hindi language and culture The Home Science department organized ‘nutrition week’ and ‘handloom week’ Republic day, Independence day , Teachers day have been celebrated in the college campus.

At Govt. Girl's BC Welfare Hostel, Odachipurupalli, Paravada Mandal, VSP.

Programme Officer: Dr. K. Manikya Kumari

HOD, Botany & Biotechnology

PROGRAMME REPORT

A three day Residential outreach and awareness programme 'KISHORI VIKASAM', to improve the lives of adolescent girls in Visakhapatnam district was organized and concluded fruitfully at Govt. B. C. Girls Welfare Hostel, Odachipurupalli in Parawada mandal under St. Joseph College UNICEF coordinator and NSS Programme Officer Dr. K. Manikya Kumari from 8th -10th December 2017. A team of seven trained Peer Leaders of the college namely Poojitha, Ramya & Anjali of IIBBA, Divya Swaroopa, Sharanya Nambiyar, Shirisha, Divya of IIBSc created awareness on the issues related to girls such as Health & Nutrition, Personal Hygiene, Child labour, Gender Discrimination, infant girl foeticide, Child marriages, child abuse etc., and explained the students about how they affect their lives as adolescents through posters, charts, skits and group interactions.

The Peer Leaders and Coordinator Dr. Manikya Kumari emphasized mainly on maintaining personal health and hygiene during menstruation, intake of nutritious food, prevention of Child marriages which hinder the physical and intellectual health of the adolescent children and right age to marry for a boy and girl. Further they explained how rampant the gender discrimination is in the society leading to girl infant foeticide which is the main reason for low male- female ratio in the human population. Women and Girl trafficking is another serious issue focussed during this programme and the girl students were advised to sense good and bad touch and keep away from strangers and unknown people. They were reminded the importance of Girl child education which helps to build better homes and better society.

They were also advised to fight against and report to the authorities when they confront such issues. The peer leaders interacted with the hostel children in class wise groups and involved them in understanding various aspects of adolescent issues. They gave them different tasks to express about what they have learned over the three days through poster painting and conducted a few games such as Arm wrestling, Quiz, Singing, Dancing etc., to encourage active participation. The winners were given small gifts and chocolates by the Programme Coordinator Dr. Manikya Kumari. The peer leaders also enquired about the facilities provided by the govt. to the girls hostels and verified the status and utility of toilets, quality food supply and other residential facilities. Later they dined with the hostel students the same food provided to the inmates and gave them necessary advice to excel in their education and fulfil their goals in life and live a meaningful life of their choice.

The programme was facilitated by Prof. R. D. Sampath Kumar, AU NSS Programme Coordinator, B. V. Subba Reddy- UNICEF Consultant, Hyderabad and Dr. Y. Ramesh Babu – Project Coordinator UNICEF/NSS/AU. The Principal of St Joseph college provided all necessary help to conduct this programme successfully. The programme was widely covered in the print media.

UNICEF-Junior College Level programme

28th & 29th December 2017

Programme Officer: Dr. K. Manikya Kumari
HOD, Botany & Biotechnology
PROGRAMME REPORT

A two day 'UNICEF-Junior College Level programme', to improve the lives of adolescent girls in Visakhapatnam district was organized by St. Joseph College UNICEF coordinator and NSS Programme Officer Dr. K. Manikya Kumari from 28th -29th December 2017. A team of trained Peer Leaders of the college created awareness on the issues related to girls such as Health & Nutrition, Personal Hygiene, Child labour, Gender Discrimination, Child marriages etc., with the help of posters, charts, skits and interactions.

On the first day they explained students about intake of nutritious food, maintain personal hygiene during menstruation, prevention of Child marriages and right age to marry. Further they explained about gender discrimination in the society leading to infant girl foeticide causing low male- female ratio in the human population. Girl trafficking and Drug abuse are other serious issue focussed during this programme and advised them to keep away from drugs, alcohol, smoking, strangers and unknown people. They were reminded the importance of Girl child education which helps them to build better society.

They were also advised to fight against the exploitation of children and adolescents as domestic workers and in unorganised sectors. They were told to report the same to the authorities if found. A few students responded when asked whether they have witnessed any child marriage in their localities. One girl said that she witnessed a child marriage but nobody stopped it. Then Dr. Manikya Kumari told students to report any such incident to the authorities through Help line no: 1098. She also explained students about the reproductive growth of adolescent boys and girls and the right age to marry and bear children.

On the second day the peer leaders interacted with the adolescents and asked to what extent this programme would help them. They said that they have learned many useful aspects of adolescence and this awareness helped them to focus on right things in life. Later a few competitions such as Elocution, Quiz, Poster making and skit were conducted. Many students actively participated. The winners were given mementos by the College In-charge of Intermediate students, Sister Ruby. Addressing the students, she said that students should concentrate on their studies than to divert their minds on unnecessary things. She emphasised that the parents should spend quality time with their children and enquire about their academic performance quite often specially in the age group of 15 to 18 since this age group children get attracted to anything that distract them from academics.

The programme was facilitated by B. V. Subba Reddy- UNICEF Consultant, Hyderabad and supervised by Dr. Y. Ramesh Babu – Project Coordinator UNICEF/NSS/AU. The Principal of St. Joseph College, Dr. Sr. Shyji provided all necessary help to conduct this programme successfully.

Adolescent Education Program held at Sacred Heart Girl's High School, Gnanapuram, 12-01-2018

An Educative program on the issues related to the adolescent girls of 9th and 10th classes was held at Sacred Heart Girl's High School in the city today. In view of the growing atrocities against adolescent girl children and various issues that they face at home, society, educational institutes and other places. The NSS Program Officer and HOD, Botany of St. Joseph College for Women Dr. K. Manikya Kumari along with her student peer leaders organised this program in the school premises under UNICEF-School Level Event. Speaking to the students Dr. Manikya Kumari explained the girls about the growingup changes physically and psychologically and told students not to divert their attention on easy attractions, to sense good and bad touch by related people as well as strangers. She advised them not to indulge in any abuses and be aware of their surroundings. The students were educated on the Physical and mental health, menstrual hygiene, Say no to bad habits, inculcate talents and skills along with education and excel in every field of their choice. She asked them to keep fit and fight against social evils like child marriages and child labour because children should stay in schools but not in work places. Childhood is the most precious and beautiful stage in life and never lose it, she said. The student peer leaders of UNICEF wing of the College encouraged the children by conducting competitions in games such as 'Tug of War' and 'Arm Wrestling'. Hundreds of students cheered their favourite player with a high fervour and cheers. Song and extempore competitions were also held and winners were given small prizes. The college students performed a thought provoking skit on the 'Troubled Childhood' depicting child labour issue. The School Head Mistress Sr. Sakuntala and several teachers also participated in the program. The program ended with endless cheers and Pongal wishes as the School declared Sankranti holidays.
