Examination cell annual report 2013-14

The College established an Examination Cell to take charge of the examination system in the college. The detailed syllabi, course outcomes, programme specific outcomes and programme outcomes are made available in the college website and college library. Orientation is given to the newly admitted batch of students and their parents regarding the system, process, methods and techniques of assessment and evaluation. The learning outcomes of all courses are also communicated to the students during the orientation programme. Institution notifies the faculty and students about course, syllabus updates evaluation process, examination rules and regulations etc. through college hand book. The examination schedule for the academic year prepared and displayed in web site and notice board.

Syllabus is regularly updated through Board of Studies and Academic Council. New papers were introduced in this academic year. Foundation course papers Human Rights & Human Health Care, Business English, Communicative Grammar in English introduced in I & II semesters. Interdisciplinary Elective papers Nursery Management, Man and Microbes in IV semester, Value added Textiles paper in II semester was introduced. New Political science papers, Comparative Government & Politics in VI Semester, Local Self Government & Rural Development in V Semester were introduced. Economics paper Economic Geography of India in IV Semester, Management studies paper Indian Financial Services in V Semester, and Psychology paper Research Methodology & Statistics in III Semester was introduced.

Major changes in syllabus have also been made in the following papers to meet stakeholder demands. Major changes in Political science VI Semester paper International Relations & Politics, Zoology III semester Animal Diversity III, in IV Semester Developmental Biology Animal Diversity IV and in VI Semester Evolution & Zoogeography, Commerce V & VI Semesters Business Laws, Taxation I & II, History IV semester History & Culture of AP papers was done this academic year.

Examination Report: Mid semester examinations conducted for I, III & V semesters in the month of July/August and for II, IV & VI semesters in the month of December. End semester examinations conducted for I, III & V semesters in the month of October and for II, IV & VI semesters in the month of March. Nearly 238 question papers prepared with the help of paper setters from colleges of different states for end semester examinations and the number of papers valued were 13057 with the help of nearly 238 examiners from different colleges. Odd semester results declared within 19 days and even semester within 12 days. College

implemented Degree Examination and result system (DEAR system) version 1.5.4. in the examination cell for the management of result processing. We received 18 applications for revaluation of End semester papers. Out of which marks changed for 9. There are 3 students involved in malpractice in this academic year.

Results: Results and statistics of results prepared and presented to Examination committee, academic council and governing body.

In Odd semester (I, III, V) it was observed that performance of Y batch is quite encouraging. There is a substantial improvement in the result of MEC group with 72.2% passes. The least pass percentage of 66.67% is recorded by EPO group due to poor performance in English language and literature paper. Comparatively the pass percentage of Z batch for second semester is lower with 66.3% passes. The members of the committee resolved to conduct the instant examination for only the outgoing students of final year batch of students with effect from 2013-2014.

In even semester (II, IV, VI) the members reviewed the performance of students in various subjects and found it to be satisfactory in majority of the subjects, while the performance in some papers needs improvement. The members recommended remedial classes and other suitable practices to enhance the performance of the students.

Final Result of 2013-14 passed out 'Y' Batch (2011-2014)

Examination reforms implemented:

1. Greater flexibility in continuous assessment & Innovative accessory assessment methods provided opportunity to test the various skills of the student rather than conventional testing

2. Awarding extra credits to special achievers in NCC, NSS, Sports and national level events made them to feel unique when compared to others.

3. Initiative of holding the Instant exam in April for students who fail in not more than two papers over six semesters is to facilitate the progression of students to Higher Education courses and placement in companies with less inconvenience.

4. The College strictly adheres to the declared examination schedules. This facilitated to declare results in time and also the progression of students to Higher Education courses and placement in companies with less inconvenience.

5. The average time taken by the College for declaring the examination results is two to three weeks, to ensure that the students do not miss any opportunity in their professional career and higher studies.

6. Two Senior Faculty members are designated as Observers/ Squad to monitor the conduct of the exams each day to facilitate smooth conduct of examinations and also to avoid malpractice.

7. Transparency in evaluation (students verify their Mid semester answer scripts). Provision for Revaluation of End semester answer scripts on students request provides an opportunity to students to express their grievances regarding evaluation.

8. Apart from the regular examinations, special supplementary of V semester papers for final year students are conducted immediately after declaration of the results in January helps the students to clear their backlogs without losing a year.
