11-7-16. Complain on : to Change the College timings of the so that they will have sufficient time for the other competitive exams also to reach home also early and refer in the library.

As there are Co-curricular activities and other regular classes & to complete does not have sufficient time. We therefore we try to keep the same timing of the College.

Many of the competitive coachings are conducted for the benefit of the College students in the campus itself at reasonable fee rate.

2017 - 18
