All the members of the Board of Studies for English were present at the meeting held on 9th Dec 2017 at 10:00 am; in the Dept. of English, St. Joseph's College for Women (A), Vrakhapatnam.

The minutes of the Board of Studies meeting for General English held on 9th Nov 2017, remain the same. Communicative and soft skills papers for four semesters remain the same.

The online exam for communication and soft skills can be for 1.5 marks and the rest 5 marks would be viva based on their speaking skills - like board suggested.

For General English the board suggested that an online exam will be more benefited when vocabulary and basic grammar are introduced in the ALCA'S as a pattern for assessing the students.

The Board reviewed the Syllabi and Question paper of all the six semesters including the cluster 'A' i.e. American literature which was opted as a main cluster for final year literature students.

The question papers were verified and finalized. The board felt happy and satisfied with the pattern of questions for cluster 'A' i.e. American literature.

The meeting came to an end with vote of thanks being proposed by Mrs. Bransela Rani. Name of subject experts proposed for next board of studies.

After the approval of minutes of previous
MSS held on 21-01-2017, the board discussed
the items on the agenda and passed the
resolution on the functional course based credit
system (CBCS) w.e.f. 2017-18 as below:

1. The new CBCS syllabus framed in compliance with
APSCHE & All guidelines theory papers, practicals
and kit's teaching hours are justified.
2. In the practical curriculum, rearrangement of
two papers was suggested i.e.
IV semester practical entitled "Volumetric analysis"
is shifted to cluster VIII paper, whereas
VI semester cluster practical "Organic Compound
preparations" to IV semester practical.
VI semester VII paper practical titled "Gravimetric
analysis" is shifted to V semester practical.
V semester physical experiments practical paper
shifted to VI semester VII A practical paper.
3. Inclusion of Conductometric titration experiments
included in the III semester ^(Group B) as demonstration experiments
apart from new syllabus and for the practical paper
3 hours of duration is essential.
4. Conduct of online examination for all the even
Semester - II, IV, VI is introduced for the necessary
examinations proposed.
These I to VI Semester theory and practical
papers will be coming into force after the
approval of Academic Council.
5. List of subject experts names for the next board
is continued as:
Prof. Sarath Chandra, Dr. Mrs. Jyoti, &
Gitan, St. Theresa.
