*For given group of student's only one dept. (coordinating/organising) shall provide information to K to avoid duplication of information

K. Departmental Best Practice (if any): Provide a hundred word narrative on any one of the departmental best practices (other than extension and club activities)

Name of the	Name of the Best Practice	Description of the Practice:
English	Peer Teaching	Peer teaching is a teaching practice for students who are capable enough to coordinate among their peers and motivate them to learn better through teaching and explaining a given subject. The class is divided into four to five groups with five members in each group. The group chooses one among them as a teacher for them. The Peer teachers reinforce their own learning by facilitating learning in others. Students feel more comfortable to learn better when they interact with their peers in the groups. Each peer teacher follows their own strategies in the course of teaching and makes sure that their peers have understood the topic through clarifying questions and making them write in points so that they remember the topic. This practice was successful with Second Year EEP students who have sincerely used the two periods per week which was allotted for Peer
Sanskrit	Sanskrit Science Exhibition conducted by Sanskrit dept. on Geetha Jayanthi Celebrations, highlighted the rich cultural heritage associated with our great Nation India. They compared modern science with heritage language. It's useful to know Science in Sanskrit. Students and teachers had visited the exhibition and got benefit of it. They found out correlation of all subjects with Sanskrit. Our Ancestors already wrote in Sanskrit and they found out solution to how to	Sanskrit is not a dead language but it is useful for all generation. It is known that science is inbuilt in Sanskrit.

The students need sound theoretical and most importantly a practical knowledge is necessary. This training provides hands on training in all aspects of post-harvest technology. It emphasizes the importance of hygienic handling in processing fish and fishery products, HACCP concepts, in plant training for efficient handling and preservation of fish and fishery products, canning of seafood and preparation of value added fishery products. Experts from the institute handled theory classes and a fully fledged demonstration cum hands on experience. They were taught right from point of catch to export. The trainees had an opportunity to familiarize themselves with different processing activities like freezing, canning, smoking, quality control. They were also trained for testing microbiological analysis. During this programme trainees were exposed to hygienic preparation of several value added products like fish pickle, fish curry, fish cutlets, fish wafers, fish</p>

All the children were very much delighted on receiving them. They kept them safely. They participated in various activities and we all had a great time with them.

VISIT TO CHINTALAGRAHARAM VILLAGE

The NCC cadets have conducted an outreach programme in **Chintalagraharam village**, vepagunta on 28-10-2018.

- Cadets formed into groups for the data collection and each went to 7 houses atleast, and asked about their sanitation conditions especially bathrooms.

- Surprisingly everyone has toilets and later asked them about their health and hygiene, by watching few conditions like improper drainage and stagnated water, cadets have warned them about various diseases caused by unclean surroundings and suggested them precautions.
- 70% of the village toilets were constructed under the government scheme of Swachh Bharath.
- Cadets suggested the villagers to preserve rain water by constructing rain water harvesting pits.
- This is very helpful in increasing the ground water level and irrigation.
- Cadets suggested them how to conserve Energy and taught them the uses of utilising solar power.
- Few of the villagers has left the water in waste plastic tins ,we advised them to make sure everything in their premises is kept clean and mostly dry.
- Cadets have suggested them the prominence of keeping their surroundings clean and dry by explaining the various harmful diseases like Malaria and Diarrhoea
- Cadets advised the people to clean their running waste water ways so that water may not get blocked at a spot and become stagnant.
- Cadets enquired about the leakages of water from water pipes provided by the government.
- Advised them to water the plants during morning and evening to prevent evaporation of water due to high temperature during mid day.

VISIT TO SONTYAM VILLAGE

An extension activity was conducted by the NCC cadets in **Sontyam village** on 02-12-2018. It features many activities which includes surveying, interacting and suggesting. Cadets conducted a survey on the Drainage conditions and the Bathroom facilities of the village and explained the effects of improper maintenance of surroundings on them. Cadets suggested the precautionary measures to be taken against Malaria and Dengue. Small but important suggestions were given to villagers on conserving energy like as follows

- Consume less power during winter

- Minimise the usage of Refrigerators, so that the toxic substance (CFC'S) is less released
- Cooking food by covering it with a lid , in order to save energy
- Turning off lights and electronic appliances after their use
- Removing plugs of the gadgets like connectors should be done
- Water left after washing the clothes should be used for plants by removing the foam.

70 cadets have participated in this extension activity; everyone in the village followed our instructions regarding cleanliness. Each cadet participated actively and made the outreach programme success.

St. Joseph College Students took Rally against Plastic on World Environment day

5-6-2018, Visakhapatnam

On the world Environment day today, students and faculty from NSS Unit I and Green Globe Nature Club of St. Joseph College took rally against use of plastic. In view of this year's UN theme for Environment day 2018 'Beat The Plastic' and 'Marching towards plastic free environment' the NSS Programme officer Dr. K. Manikya Kumari organised a rally in the streets of Gnanapuram. The rally was inaugurated by the Correspondent of the college Sis. Veronica. Students and staff participated in big numbers and took to roads holding placards with sensitising environmental messages and gave slogans to ban plastic which kills life and causes cancer. And also about refuse if nor reused, avoid chemical fertilizers and insecticides, go for organic and natural farming practices, conservation of water resources through rain water harvesting, growing trees to cool the climate etc. The rally caught the attention of many onlooker and general public and the message reached the masses. The programme was attended by the Principal Sis. Shyji and several faculty members.

NSS Unit of St. Joseph College Observed ‘World Population Day’

Visakhapatnam, 11-7-2018

With the fast growing world population reaching to the highest ever in 2018, the NSS wing of St. Joseph College for Women (A) observed it in a fitting way. According to this year's theme “Family planning is a human right”, an essay writing competition was conducted on the topic “Is population explosion boon or bane?”. Later, students in big numbers presented placards depicting world population day and formed a human configuration of “7.5 billion” as the population exploded to this level by July 1st 2018. Addressing the issue, the NSS Program Officer Dr. K. Manikya Kumari explained the students that the growing population reduces the habitable space on planet earth, increases starvation, food insecurity, and decrease in natural resources due to increased human consumption. Therefore, she suggested to control birth rate by opting one child or two child norm and empower women with the choice of pregnancy. Emphasising on this year's theme “Family planning is a human right”, she

said that small family is a happy and healthy family. The program was attended by the college principal Sr. Shyji and other faculty members.

J. Departmental Best Practice(if any): Provide a hundred word narrative on any one of the departmental best practices (other than extension and club activities)

Name of the Dept.: PG Chemistry

Name of the Best Practice:

Description of the Practice:

- CASE: PG students gave demonstration to school children on basic concepts in chemistry to create awareness, interest and enthusiasm in science education.
- Guest Lectures by eminent personalities from Andhra University and from industries are hosted to broaden students' strength to sow the seeds in latest research trends.
- Regular class room seminars are conducted to improve the communication skills and subject knowledge.
- Weekly seminars for all PG students to train them to State and National level workshops and colloquiums in various research areas.
- Field visits to pharma companies (Metro chem. Pvt. Ltd.) and AU research laboratories to understand the pros and cons in synthesizing and analyzing drugs and to gain the real time practical knowledge.
- Every year the final year PG students organize various competitions like quizzes, finding campus parent, and finding campus partner to all graduate and post graduate chemistry students.
- Teaching methodology: Peer teaching, ICT, demonstrations using models to enhance the understanding capability of students.

K. Future plans of the department:

Name of the Dept.:

Future Plans:

1. To organize National seminar/Colloquium in chemistry
2. To improve the placements for students in various fields
3. To maintain benchmark in publications and presentations
4. To encourage faculty for minor projects
5. To improve the number of industrial trips to understand the real time practical knowledge

L. Over all Department Analysis

STRENGTHS	1 Qualified and experienced faculty
	2 Spacious and well equipped labs
WEAKNESSES	1 Flexible student Admissions
	2 To train heterogeneous group of students without much practical knowledge
OPPORTUNITIES	1 To Start few more specialisations in chemistry
	2 to start research centre in chemistry

K. Departmental Best Practice(if any): Provide a hundred word narrative on any one of the departmental best practices(other than extension and club activities)

Name of the Dept.: **P.G Department of English Language and Literature**

Name of the Best Practice:**Research Projects/ MOOCS**

Description of the Practice:**The department encourages students to look beyond their curriculum and engage with activities that foster good practices. To this end the department mandates each student to take up a mini research project on any topic of literary interest to them, work on any aspect of the chosen text and submit their findings in the form of a bound thesis comprising of 15-20 pages. Students are also encouraged to at least do two MOOCS courses in every semester.**

L. Future plans of the department:

Name of the Dept.:**P.G. Department of English Language and Literature**

Future Plans:

- To start a departmental website where our teaching materials can be digitally accessed by the students.
- To involve our students in more outreach programs.
- The department hope to work with agencies like Newspaper offices, Publishing house and online portals to provide internship opportunities to our students in content writing and copy editing.

M. Over all Department Analysis

STRENGTHS	1. Research Initiatives
	2. Well Qualified Staff
WEAKNESSES	1. Students from Vernacular Background
	2. High Attrition rate.
OPPORTUNITIES	1. Training in Skill development
	2. Initiating E-Learning
CHALLENGES	1. Imparting English speaking skills to students of Vernacular Backgrounds.
	2. Teaching Literature to students from inter-disciplinary studies.
	3. Lack of Funding for the Department

4. Unavailability of prescribed books.
