#### **4. VEHICLE FREE ZONE DAY(1-9-2018)**

In order to bring down the environmental air pollution caused by the automobiles to some extent our A.P. Green Corps Eco club has taken an initiative and conducted a vehicle free zone in St. Joseph's college campus. Three days prior to the programme Students participated in huge numbers and created awareness on periodical checking of vehicles and save the environment in which we are surviving. With the placard and slogans on campus drive is conducted stating the amount of vehicular exhaust creating great contribution to air pollution . All the teaching faculty students extended their support . The faculty car parking, two wheeler parking and student 2 wheeler parking zones were reported with **zero** and principal Dr.Sr.Shyjii

expressed her happiness for college contribution for the global needs.

## 5. OZONE DEPLETION –OZONE PROTECTION MEASURES

Awareness Program at St. Joseph's College for Women,(A), Gnanapuram,  
Visakhapatnam

## **POSTER COMPETITION (16-9-2018)**

AP Green Green Corps Eco Club of St. Joseph's College for Women (A) organized an awareness programme on World Ozone Day today. The Club Convener, Head Dept. of Chemistry Dr. P.Manga veni convened an interactive Class room session on various aspects of Ozone to create awareness about Ozone and its role in sustainable environment. Students participated in huge numbers and expressed their opinion and concerns about the significance of Ozone, ill effects of its depletion on environment, measures to be taken to protect Ozone layer and the role of individuals and society in environmental protection. Several students felt that indiscriminate felling of trees, increasing air pollution, the chemical effluents released through life style changes and industries especially Chloroflurocarbons (CFCs) are primarily responsible for Ozone depletion resulting in infiltration of Ultra Violet radiation causing immense loss of life on earth and deadly diseases like Cancer in humans. College principal Dr. Sr. Shyji told students to spread the message on Ozone protection for sustainable environment in their neighbourhood to make collective effort to conserve and protect ozone and environment at large. Students of St.Joseph's college were given two themes and were asked to make posters. The themes are CAUSES OF OZONE DEPLETION AND OZONE DEPLETION CONTROL MEASURES. Dr.P.Sarada IQAC co-ordinator and Madhavi PG faculty adjudicated the Best posters selected and given prizes. Mrs.P.Aruna Jyoythy, Ms.Sireesha. & Mrs. P.Pushpa were present and extended their support to the students in making the event successful.

- 1.Gowthami-. II B.Sc BBC
- 2.Ankitha Singh-I B.Sc BBC
- 3.P.Satya Sandhya-III B.Sc MPC
- 4.V.Jyostna- III B.Sc BBC Consolation

## **6. Plantation program on 14-Nov-2018**

## 7. Plastic free zone day

Plastic free zone day has been observed in our College.
