I. H. Best Practices:

Name of the Department	Name of the Best Practice	Description of the Practice
English	Teaching English in Schools	<p>Department of English first time of its kind initiated a program called “Teaching English in Schools. This is one of the best practices the dept has taken up in making the final year English Cluster students of Semester VI to teach in Upper Secondary & High Schools. The students must go to different school teaching English- Poetry, Prose, Non-detailed text of their choice. After teaching the students have to submit. Letter from the Principal duly signed & teaching Plan along with evidences that the classes were taken up by the student. This practice is to inculcate the habit of teaching learning techniques in schools</p>
Hindi	Hindi week and Pratibha magazine	<p>Description of the Practice: HINDI-SAPTAH is a significant feature in SJC during September. Every year Hindi dept observes Independence Day and Hindi day (14th September) to inculcate values like self-respect, National integrity, secularism, social equality etc. dept organizes various competitions and programmes in the college. Students in large number participate and mark their respect towards the Nation and National language. Students are given opportunity to organize and participate in Hindi week and Pratibha magazine a variety of co-curricular and extracurricular Competitions like Essay and Creative writing, elocution, debate, doha - antakshari, just a minute, slogan writing, quiz, solo and group singing. Winners are given away the prizes on Valedictory day Eminent Hindi scholars are invited as chief guests to deliver lecture on the significance of official language. Faculty members appreciate the talents of students with mementos and certificates. Senior Students are given opportunity to conduct the competitions and organize the Hindi-function and they prove their leadership qualities and organizing skills</p> <p>A Departmental magazine called “Pratibha” is published every year to bring out the hidden talents of the students. Faculty encourage students to participate in inter and intra collegiate festivals which provide a healthy competition among students of various colleges as well as to foster leadership quality among students. To promote the creative skills and talents of the students, along with the publication of annual magazine the department conducts various competitions like essay writing, elocution, debate, presentation of skits, quiz, extempore, dumb charades.</p>

Sanskrit	Samskruta-Vastu-Pradarshini	Sanskrit is not a dead language but it is useful for all generation. It is known that science is inbuilt in Sanskrit. Samskruta-Vastu-Pradarshini conducted by Sanskrit dept. on Sanskrit Week Celebrations, highlighted the things with Sanskrit names which are using in day to day life. It's useful to know names in Sanskrit. Students and teachers had visited the exhibition and got benefit of it. They found out the new things in Sanskrit.
Telugu		Creative short Story Writing, Journalism Reporting, Non-Telugu students Poem Recitation, Students News Reading in Media Lab
Psychology	Sahay	– to take care needs of the students.
Management studies	Peer teaching	Peer teaching involves students to take up a topic and explain conceptual relationships to others. Each learner reads, prepares and then teaches the essence of the material to her peers. This result in the students defining their own understanding. In addition to the benefit of learning a particular concept, they learn the skills of presentation and counter the fear of public speaking. As a secondary benefit, this process invokes confidence and motivates other students to follow.
Journalism	News Reading and Debate in Media-lab	The News reading activity is best practice in Journalism curriculum. The I EPJ and II EPJ students participated actively in this activity. They prepared well and done as professional. Previously they prepared charts and wrote the headlines. Then they have read news through the camera with the help of peers. As well as the I and II EPJ students conducted the debates on current issues such as article 370, Ayodhya and Local body election.
History	Cultural and heritage site visits	Students study on their native place profiles (socio-economic cultural and geographical and demographic features. They observe and gain knowledge about world heritage sites in India heritage walk organized by INTACH member JayasreeHatangadi cause of spread on heritage conservation in tourism.
Economics	Student seminars Survey based projects Industrial visits Remedial classes Peer teaching Participation and Presentation of Papers by Students in National Seminars	Students of I II III Degree have organized a seminar on the occasion of world population day at college level quite number students have participated and discuss on demographic issues. It is abest practice and beneficial for those who have difficulty in learning in typical classroom setting were reading and writing are required there is often a sense of friendship associated with seminar attendance because everyone is attending with a live interest in learning about the subject important to them

BBA	Personality Development Sessions	<p>A personality development session endures thoughts, feelings and behaviours that distinguish individuals from one another. It is indeed knowing and bettering yourself</p> <p>These PD sessions focuses on career planning, building self-esteem, stress management, time management, power dressing and enhancing communication skills.</p> <p>ABC of Personality Development sessions</p> <p>The personality development session focuses on three elements</p> <ul style="list-style-type: none"> • Attitude • Behaviour • Communication <p>It aims at how individuals showcase or present themselves and how they contribute for their personal growth.</p> <p>These sessions are organized for and by the students and staff coordinators. Physics	Teach while you learn	<p>An innovative method of teaching and learning "Teach While You Learn" is introduced for II and III B.Sc. students. Few meritorious students will be selected and trained on a last topic of the respective semester to enable them to teach their peers more efficiently. The students who teach will prepare and clarify their doubts in advance from staff. As the topic is based on the knowledge of the previous units it helps them to teach better. Students who teach will be able to handle the entire topic irrespective of the sub topics given. For better understanding of the lectures given by their classmates, rest of the them (who are teaching) will raise questions</p>
Chemistry		<p>Guest Lectures by eminent personalities in various fields are hosted to broaden students' subject knowledge and sow the seeds of research. Department also organizes seminars at class level trains them to State and National level workshops during their academic sessions. Faculty of chemistry deliver extension lectures to students of other streams to widen their scope of knowledge. Experts from Industry and alumni are also invited to deliver guest lectures to motivate students. Department holds two Functional MoUs to share research facilities at SRGCGCSW, Delhi, NATSOL, Parawada. Project works extended towards societal welfare works, Community Ground Water Analysis as one of the practical courses extends land to lab commitment. Advanced Organic synthetic protocols are incorporated towards green initiatives via solvent free reactions, Microwave and Sonication reactions. Semi micro analysis is another practical which minimizes chemical waste.</p> <p>Correlation of theory and practical is good blend supported with Continuous assessment in practical curriculum. Mandatory projects with bench work for the final year elective students <i>viz</i> generation of green energy, Edible water bottles, Estimation of Nicotine content from Tobacco. Hands on practice is acquired by the elective students at distinguished laboratories, pharmacy labs and Universities.</p>
Computer Science	<p>Guest lectures, Competitions, Presentations, Demonstration of projects/programs, Online resources</p>	<p>Guest Lectures, Seminar & Workshops As part of academic development, the department arranges guest lectures and seminars throughout the year on topics of core subjects, Career oriented lectures and recent technologies periodically. Through the association, the students are encouraged to attend workshops organized by other reputed institutions.</p> <p>Competitions Students get a chance to showcase their skills, analyze and evaluate the outcomes. It encourages students to adopt innovative techniques and develop their ideas and skills for time management and also gives confidence to attend competitive exams.</p> <p>Presentations: To explain the difficult concepts like Memory managements and Process scheduling in Operating systems</p>

		<p>Presentations, construction of trees in data structure are shown by the faculty. The presentations are prepared in such a way that the total content of the chapter is covered in the slides along with afore-mentioned diagrams and is shared with the students which so that they can use them as reference.</p> <p>Demonstration of Projects/Programs: While teaching subjects like C Programming, Java Programming and web technologies projects are demonstrated in the classroom. The objective of demonstrating these projects are to provide a live experience to the students how an application works. This method also acts as a motivation to the students to take up challenging tasks as projects. Demonstrating the syntax and runtime errors that might occur while executing the project will help students to get a comprehensive idea of developing a project.</p> <p>Projects The best way to master a subject is by doing projects. Through a project the students not only get a deeper understanding of the subject but also gain hands-on practical experience. By doing a project, the students will</p> <ul style="list-style-type: none"> --Understand their subject better --Get practical experience --Have a chance to showcase their skills --Learn team-work, communication skills and responsibilities <p>Online Resources NPTEL, SWAYAM</p>
Botany	Student centric skill development program	<p>Students are encouraged to participate in industry or institution linked training program or an internship-based Project work to hone skills and gain hands on experience in the selected field of Botany. This will help them to gain employability or may become an entrepreneur. His year students have undergone a 10 days Training program in Mushroom Cultivation at Global Mushroom Training Center, Madhurawada, Visakhapatnam under Skill India Initiative. Students were trained in preparation of Mushroom bed, Spawn, inoculation of Spawn, growing mushrooms, harvesting, storage and marketing of mushrooms.</p>
Zoology	Hands –on –Training on Post Harvest Technology & Training	<p><u>Hands- on- Training/ Short term training</u> at National institute of fisheries post-harvest technology and training (NIFPHATT, VISAKHAPATNAM) for ten to twelve Days. In this institute the students are trained practically. This training provides hands on training in all aspects of post-harvest technology.It emphasizes the importance of hygienic handling in processing fish and fishery products,HACCP concepts, in plant training for efficient handling and preservation of fish and fishery products, canning of sea food and preparation of value-added fishery products.</p> <p>The students of Aquaculture cluster need sound theoretical and most importantly a practical knowledge is necessary. The trainees had an opportunity to familiarize themselves with different processing activities like freezing, canning, smoking, quality control. They were also trained for testing microbiological analysis. During this programme trainees were exposed to hygienic preparation of several value-added products like fish pickle, fish curry, fish cutlets, fish wafers, fish cutlets, fish papad, fish fillet, minced meat etc. The trainees also visited institutes like CIFT and CMFRI to learn about the hatcheries, culture of artemia etc.</p>

Bio Technology	<p>“Medical Lab Technology” & Summer Internships</p>	<p>A) The department of biotechnology and Aarif nursing home Visakhapatnam, have been jointly conducting a certificate course in medical lab technology, as a skill development program for enthusiastic students. The program offers a wide range of diagnostic methods for both common and seasonal diseases.</p>

		<p>The students would be encouraged to analyze the clinical samples from the patients. The program would motivate the students to learn new molecular diagnostic trends.</p> <p>B) Department of biotechnology has been conducting summer internships and projects to students during their summer vacation. The main theme of the internship is to develop the skill/hands on experience on various instruments like (PCR, HPLC, GAS CHROMATOGRAPHY, ION EXCHANGE.... etc.), review the case studies; conduct microbial analysis of foods and many more. The students will get an exposure to various industries, hospitals, brewing industries, for their professional credibility. They will be improved with the report writing skills on their project work.</p>

English	Research Project and MOOCS	<p>The department encourages the students to look beyond their curriculum and engage with activities that foster good practices. To this end the department mandates each student to take up a mini research project on any topic of literary interest to them, work on any aspect of the chosen text and submit their findings in the form of a bound thesis comprising of 15-20 pages. Students are also encouraged to at least do two MOOCS courses in every semester</p>
Maths	Elicit and use evidence of student thinking	<p>Effective teaching of mathematics uses evidence of student thinking to assess progress toward mathematical understanding and to adjust instruction continually in ways that support and extend learning.</p>

M. Sc Psychology	Psychological Testing usage in educational sector	Students learned about various types of testing they can conduct in different schools and colleges. Especially they learned for which age group which test is suitable for administration and also students learned about how to conduct test and interpretation of the test results.
MHRM	Industrial Exposure	In this process the students are addressed with introduction of the industrial visit where they get the brief idea of the nature of industry. Soon after the industrial visit the group is subjected to have group discussion on the visit so as to explore more about the observations at organization and discuss about the HR activities the organizations indulge in , in this regard the students gets a chance to share the information and have better understanding over the subject. Students actively participate in the industrial visit through interaction with the HR experts and get acquire relevant knowledge and exposure.

I. I. Future Plans of the Department:

Department	Future Plans
English	<ol style="list-style-type: none"> 1. More number of Literary activities to be conducted 2. To inculcate more research work in the students 3. To enhance communication skills by engaging the students in activities through English Club 4. Increase the number of courses through English Language Fellow Program 5. Organizing more number of Workshops/ Seminars under ELF Program
Hindi	<ol style="list-style-type: none"> 1. Conduct of International seminar
Sanskrit	<ol style="list-style-type: none"> 1. To conduct Sanskrit & Science exhibition in August & December. 2. To conduct various competitions to improve Students skills. 3. Psychology	Strengths	1 Highly committed faculty 2 Well designed curriculum 3 Effective communication skills 4 Enrichment of curriculum from time to time by adopting inputs from national/international happenings
	Weaknesses	1 Space constraint
	Opportunities	1 Professional growth, 2. Better analysis of society
	Challenges	1 To deal heterogeneous groups with varied back ground
Management studies	Strengths	1 Less Number of Class Strength 2 Better Individual Connection with Students
	Weaknesses	1 Students from Telugu Medium 2 Less Number of students where the number plays significant role
	Opportunities	1 Opening other Management Courses
	Challenges	Classroom location makes the students very unfocussed
Journalism	Strengths	1 Available and using the media lab 2 Conducting the field visits
	Weaknesses	1 Single member faculty 2 Lack of technical person for media lab only
	Opportunities	1 Provide the immediate employability 2 Go to the Internship training
	Challenges	1 To prepare departmental reports 2 Lack of material/books in market
History	Strengths	1 committed faculty 2 100% results
	Weaknesses	1 low enrollment 2. no English medium sections
	Opportunities	1. Jobs in tourism industry 2. All civil services
Economics	Strengths	1 Students enrollment strengthen 2 Students progress and performance is significant
	Weaknesses	1 No admission in HEP 2 25% of the students belongs to other than economics g subject
	Opportunities	1 PG, BANKING, CIVILS, IES 2 ECONOMETRICS
	Challenges	1 Students are unable to go for field work
BBA	Strengths	1. Qualified faculty 2. Supportive and talented students
	Weaknesses	1. Less Research Publications 2. Un- aided department
	Opportunities	1. Skill development 2. Training students for higher education
	Challenges	1. Students from Distinguished disciplines 2. Access to E-Resources
Commerce	Strengths	1. Blended Experience of faculty 2. Highly motivated staff

	Weaknesses	1.Shortage of LMS Tools 2. Shortage of latest Reference books
	Opportunities	1.Innovative Teaching- Pedagogical Methodologies 2 More seminars by students and paper presentations
	Challenges	1. Student attitude and Behaviour 2. Motivating towards attending seminars
Mathematics	Strengths	1. STAFF 2. Maximum Students in the College 3. Unity 4. Hard Work & Curriculum
	Weaknesses	1. Ratio of the Student and the Staff 2.Lack of Infrastructure 3.Students are not utilizing Library Resources Properly

	Challenges	1. No departmental library
Physics	Strengths	1.Good Infrastructure 2. 100 % seats filled
	Weaknesses	1. Floating Faculty 2.No demand for Physics Cluster
	Opportunities	1. Job placements 2. Higher Studies
	Challenges	1. To establish permanent Faculty 2. Obtaining Ph.D. by existing faculty
Chemistry	Strengths	1. Well established laboratory with sophisticated instruments imparts industry-based training 2. Qualified senior faculty members extending services in mandatory professional bodies of the College
	Weaknesses	1. Inability to pursue quality research due to preoccupation with exhaustive classroom and laboratory teaching load 2. Student reluctance to involve in experimentation and lackadaisical attitude towards laboratory exercises

	Opportunities	1. Ample scope to research 2. Faculty development programs along with online courses
	Challenges	1. Class room strength will be above 80 section wise 2. Fear of chemistry as organic chemistry was not dealt at intermediate level for the students from other institutions
Computer Science	Strengths	Experienced & Committed Teachers Well-equipped lab with internet facilities Motivating and dedicated faculty members ICT enabled teaching
	Weaknesses	Small sized faculty Need professorial ranked faculty to support department
	Opportunities	1. To increase campus placements/Entrepreneurship To train students to face entrance tests like MCA, M.Sc. and MBA Interdisciplinary growth across departments
	Challenges	Organization of Seminar/Conference Placing the students
Botany	Strengths	1. Need based curriculum, well equipped laboratory 2. Well qualified and knowledgeable faculty members
	Weaknesses	1. Lack of permanent faculty 2. Constrains in Infrastructure expansion
	Opportunities	1. To introduce Post Graduate course in Botany 2. To establish a Research Center
	Challenges	1. Ever growing Pollution 2. Constraints in taking some positive academic decisions
Zoology	Strengths	1. Good infrastructure. 2. Need based curriculum, Museum with a good collection of specimens
	Weaknesses	Need another Lab.
	Opportunities	To start a vermiculture unit
	Challenges	1. To conduct a national seminar 2. To establish a virtual lab
Biochemistry	Strengths	1. Qualified faculty 2. Implementation of innovative teaching learning methods
	Weaknesses	1. Need to improve laboratory facilities
	Opportunities	1. Students can get placed in Pharmaceutical Industries 2. Frequent interaction with subject experts through guest lectures
	Challenges	1. Designing commercial protocols in tissue culture 2. Initiatives to design low molecular weight proteins through in Silicon Methods 3. Frequent interaction with subject experts through guest lectures
Home Science	Strengths	1 Highly committed faculty 2 Well designed curriculum 3 Effective communication skills 4 Enrichment of curriculum from time to time by adopting inputs from national/international happenings 5 Tech – enabled faculty

	Weaknesses	1 Space constraint
	Opportunities	1 Be able to work in collaboration with various NGO/ Organizations/Government departments
	Challenges	1 Highly distracted student population 2 Not very supportive public perception of the discipline
Chemistry	Strengths	1 Qualified and Experienced Faculty 2 Spacious and Well-Equipped Labs
	Weaknesses	1 Flexible Student Admissions 2 Limited Hands on Experience of Students in Practical's
	Opportunities	1 To Start Few More Specializations in Chemistry 2 To Start Research Centre In Chemistry
	Challenges	1 To Get More Placements for Students
English	Strengths	1. Research Initiatives 2. Well Qualified Staff
	Weaknesses	1. Students from Vernacular Background 2. Increased Attrition Rate.
	Opportunities	1. Training in Skill Development 2. Initiating E-Learning
	Challenges	1. Imparting English-Speaking Skills to Students of Vernacular Backgrounds. 2. Teaching Literature to Students from Inter-Disciplinary Studies. 3. Lack of Funding for The Department. 4. Unavailability of Prescribed Books.
Mathematics	Strengths	Qualified Senior Faculty Members Extending Services In Mandatory Professional Bodies Of The College
	Weaknesses	Inability to Pursue Quality Research Due to Preoccupation With Exhaustive Classroom Teaching Load
	Opportunities	1. Ample Scope to Research 2. Faculty Development Programs Along with Online Courses
	Challenges	1. Class Room Strength Will Be Above 80 Section Wise 2. Fear of Chemistry As Organic Chemistry Was Not Dealt At Intermediate Level For The Students From Other Institutions
Home Science	Strengths	1 Highly Committed Faculty 2 Well Designed Curriculum 3 Effective Communication Skills 4 Enrichment of Curriculum from Time To Time By Adopting Inputs From National/International Happenings 5 Tech – Enabled Faculty
	Weaknesses	1 Space Constraint
	Opportunities	1 Be Able to Work in Collaboration with Various NGO/ Organizations/Government Departments
	Challenges	1 Highly Distracted Student Population 2 Not Very Supportive Public Perception of The Discipline
Psychology	Strengths	1 Having Good Library Access 2 Having Good Practical Resources
	Weaknesses	Not Having Chambers to Conduct Counseling Sessions
	Opportunities	1 Benefit For Establishing Own Counseling Centre 2 Helpful For Overall Development of Personality

	Challenges	1 Initial Year So Less Students Joined Due to Some Reasons 2 Need to Improve Strength This Year
MHRM	Strengths	1 Industrial Exposure, Field Work in Government Agencies and Establishments. 2 Well Qualified Faculty
	Weaknesses	1 Pilot Batch 2 No Projector Facility Which Is Mandatory for PG
	Opportunities	1 More Career Opportunities 2 Networking with HR And Business Professions in National Seminars And In Observational Visits.
	Challenges	1 Less Student Strength for Organizing Any Workshop or Seminar.

BETI BACHAO RALLY

BetiBachao, BetiPachao is a campaign of the government of India that aims to generate awareness and improve the efficiency of welfare services intended for girls in India. India’s female feticide rates have been extremely high for the past two decades. The only way to get out of this situation is through education. On the occasion of NCC day, the SW cadets of 2(A) girls battalion of St Joseph’s college for women (a) went for a rally to spread awareness and information about girl child education. They marched on the roads of convent to Gnanapuram. The girls enthusiastically chanted the slogans “betibachao, betipadhao” and “Betinahahaibojh, tum badloapnisoch”. Many cadets made special placards, banners and colorful charts to give a picturesque element to the rally. The rally was a great success, the public paused their daily rush to give a minute to our energetic girls in uniform.

INTERNATIONAL YOGA DAY

The art of Yoga helps in controlling an individual’s mind, body, and soul. It brings together physical as well as mental disciplines to achieve a peaceful body and mind- and that is what NCC stands for. On the 21st of June 2019, the SW cadets of 2 (A) girls battalion from St

Joseph's college for women (A) participated in International yoga day at the A.S Raja ground. The session was held by the Art of Living. The Art of Living is an international NGO which offers several stress elimination and self-development programs based through yoga mostly. The session began early in the morning at 7:00am. Close to 30 cadets participated and greatly benefited from this session. It was an honor to have the art of living conduct this program and help us reach our inner peace through meditation.

BEACH CLEANUP

"Water water everywhere, not a drop to drink" – Samuel Taylor Coleridge.

Visakhapatnam is a coastal city. Everyday tons of polluted water gets washed up our shores, making it dirty. It doesn't just affect our health, but it also deeply affects the health of our oceans. The SW cadets of 2 (A) girls battalion from St Joseph's college for women (A) took upon this cause and went for a beach cleanup at RK Beach. The girls worked together and cleared majority of the garbage that got washed up at the beach. The girls worked relentlessly and motivated the public around them to join them for the cleanup. They were appreciated for their efforts by the public. Close to 50 cadets participated in the cleanup on the day.

WILDLIFE CLUB

Objective:

To bring all the students together to take initiative for the protection of wild life community and also spread awareness to conserve and to inspire future conservative leaders.

Conservation of wild life is important for this new generation to learn that without the nature it's difficult to survive. Most of the world's species are on the track to go extinct in the near future. So, the prime purpose of this club is to make students learn and step up to these challenges.

OFFICE BEARERS: 2019-20:

PRESIDENT	:	Sharmila Meesala III CBZ
VICE PRESIDENT	:	Neelima Krishna III CBZ
SECRETARY	:	Manvitha II CBZ
EDITOR	:	Sindhu.Y IICBZ
TREASURER	:	R. Sai Mrudula IICBZ

ACTIVITIES

1. 8 July, 2019: An informative mime by 22 third year CBZ students to spread awareness among students on conservation of wild
2. The students of final CBZ (22 students) have performed a mime about the conservation and protection of the wild life. They have depicted roles of different animals which are

extinct and those are on the edge of getting endangered. Through this mime they have demonstrated two scenarios; where, in the first part the animals were free in their own habitats. Later in the process of civilization animals were killed by humans for their own greed by hunting and poaching for commercial purposes.

So, we have shown how important it is to protect the wild life and conserve it for the future generations because if one species get extinct. It effects the whole food chain and thereby the nature. 29th July, 2019: observed as International Tigers Day (29 July) based on it a quiz. Competition was conducted by the club. The wildlife club has conducted a quiz competition on the occasion of International Tigers Day (29thJuly). Eight teams from different streams have participated in the competition. Two rounds were held in the competition where, the first round was a normal round based on the Tiger conservation and facts about the tigers. The teams which have scored high were shortlisted and sent to the second round which was based on the current status of tigers in India. The winners were given away the certificates in the zoology lab.

Winners:

1. Tejasri.S, Kalluri Deepika Rani, Sudha Kumari –II MPC
2. Sree kalyani, Sai Priya, P.Sravani –II CBZ
3. Sharanya and team –III CBZ
